**Subject:** VB I70 CAG Letter call with HQ

Hi all, I just wanted to let you know I have a brief call with Helen Duteau and Ellen Mangers. They mainly wanted a brief update on the status of the letter and to suggest that we have a comms plan/presentation prepared for when/if we get questions or asked to present why we made this decision. I explained to them where we are and that the letter will go out once Greg sees it along with we have a comm strat being prepared. They were pleased with all of this and I told them I would let them know when we proceed with releasing the letter. Let me know if you have any questions. Thanks.
